December 21, 2007

Mail Stop PCT  
Commissioner for Patents

PCT Legal Administrator:

This response is submitted in conjunction with a copy of the NOTIFICATION OF ABANDONMENT UNDER 35 U.S.C 371 and 37 CFR 1.495 IN THE UNITED STATES DESIGNATED/ELECTED OFFICE (DO/EO/US).

In response to the NOTIFICATION OF ABANDONMENT dated 07/17/2006, the following remarks are respectfully submitted in connection with above-identified application:

**REMARKS**

The Applicant appreciates the courteous and complete examination of the application by the PCT Legal Staff. In view of the following remarks, reply to the notification of missing requirements, and the petition for revival of an international application for patent designating the U.S. abandoned under 37 CFR 1.137(b), a reconsideration of the instant application is respectfully requested.

The NOTIFICATION OF ABANDONMENT indicated that the Applicant has failed to respond to the notification of MISSING REQUIREMENTS (Form PCT/DO/EO/905), mailed 10/13/2005 within the time period set therein. This error was done unintentionally and without any deceptive intent. The error occurred in that a reply to the notification of MISSING REQUIREMENTS was prepared and sent to the USPTO via facsimile on 10/26/2005, but there was an error in the transmission which was not reported. A new reply and a copy of the original reply to the notification of MISSING REQUIREMENTS is submitted herewith, which is in full compliance with the above-mentioned notification.

Additionally, during a status check of the present application in the PAIR system, it was noticed that no filing receipt has been mailed, and that the Petition For Revival Of An International Application, dated 08/09/2006 was not received.

The Applicant respectfully submits a new Petition For Unintentional Revival, including a copy of the facsimile transmission report, previous petition, credit card payment form, and response to the notification of missing requirements. It can be appreciated that a legitimate effort was made to file the original petition for revival, but it is now believed that the USPTO did not receive the facsimile, even though the Applicant made a reasonable effort to file the petition and comply with the notification of missing requirements.

With the above reply being fully responsive to all formal requirements, it is respectfully submitted that this petition is now complete, and acceptance of the application is earnestly solicited. Should the Examiner feel that there are further issues which might be resolved by means of telephone interview, the Examiner is cordially

invited to telephone the undersigned at (403) 444-5695, or by email at davidguerra@internationalpatentgroup.com.

Respectfully Submitted,

/David A. Guerra/

PCT Legal Administrator:

This response is submitted in conjunction with a copy of the NOTIFICATION OF ABANDONMENT UNDER 35 U.S.C 371 and 37 CFR 1.495 IN THE UNITED STATES DESIGNATED/ELECTED OFFICE (DO/EO/US).

In response to the NOTIFICATION OF ABANDONMENT dated 07/17/2006, the following remarks are respectfully submitted in connection with above-identified application:

**REMARKS**

The Applicant appreciates the courteous and complete examination of the application by the PCT Legal Staff. In view of the following remarks, reply to the notification of missing requirements, and the petition for revival of an international application for patent designating the U.S. abandoned under 37 CFR 1.137(b), a reconsideration of the instant application is respectfully requested.

The NOTIFICATION OF ABANDONMENT indicated that the Applicant has failed to respond to the notification of MISSING REQUIREMENTS (Form PCT/DO/EO/905), mailed 10/13/2005 within the time period set therein. This error was done unintentionally and without any deceptive intent. The error occurred in that a reply to the notification of MISSING REQUIREMENTS was prepared and sent to the USPTO via facsimile on 10/26/2005, but there was an error in the transmission which was not reported. A new reply and a copy of the original reply to the notification of MISSING REQUIREMENTS is submitted herewith, which is in full compliance with the above-mentioned notification.

With the above reply being fully responsive to all formal requirements, it is respectfully submitted that this petition is now complete, and acceptance of the application is earnestly solicited. Should the Examiner feel that there are further issues which might be resolved by means of telephone interview, the Examiner is cordially invited to telephone the undersigned at (403) 444-5695, or by email at davidguerra@verizon.net.

Respectfully Submitted,

David A. Guerra, Reg. 46,443

**REPLY TO NOTIFICATION OF MISSING REQUIREMENTS**

August 9, 2006

Honorable Commissioner for Patents  
P.O. Box 1450

Honorable Sir:

This response is submitted in conjunction with a copy of the NOTIFICATION OF MISSING REQUIREMENTS UNDER 35 U.S.C. 371 IN THE UNITED STATES DESIGNATED/ELECTED OFFICE (DO/EO/US).

In response to the NOTIFICATION OF MISSING REQUIREMENTS dated **10/13/2005**, the following remarks are respectfully submitted in connection with above-identified application:

### REMARKS

The Applicant appreciates the courteous and complete examination of the application by the Examiner. In view of the foregoing remarks, a reconsideration of the instant application is respectfully requested.

The NOTIFICATION OF MISSING REQUIREMENTS indicated that the signed declaration was not executed in accordance with either 37 CFR 1.66 or 37 CFR 1.68, and that the inventor's name on the declaration does not correspond with the name on the published International Application.

### STATEMENT OF INCORRECT NAME TRANSLATION

The inventor's name on the published International Application was incorrectly translated. The signed declaration that was filed in the USPTO on 07/06/2005 has the correct name.

After speaking with Winston M. Alvarado, Mr. Alvarado stated that a statement indicating that the International Application was incorrectly translated would be sufficient to overcome the above-mentioned notification. The Applicant submits a copy of the NOTIFICATION OF MISSING REQUIREMENTS, thereby meeting the requirements of the Notification and 35 U.S.C. 371.

With the above amendments and/or remarks being fully responsive to all outstanding rejections and formal requirements, it is respectfully submitted that the application is now complete under 35 U.S.C. 371, and a new filing receipt is earnestly solicited. Should the Examiner feel that there are further issues which might be resolved by means of telephone interview, he is cordially invited to telephone the undersigned at (403) 444-5695, or by email at davidguerra@verizon.net.

Respectfully Submitted,
